

July 2010

Dear Parents:

Our Suzuki Violin Program, which is offered under the direction of Mrs. Jo Schifter, is available to all students in grades N – 8.

The lessons are given here at Holy Child Academy and will begin at the end of September. It is a wonderful program but one that does require the cooperation of the student, parent and the student's teachers. Most lessons are given during the school day, with a few appointments available after school.

If you are interested in taking part in the Suzuki Program, return this form to either the Dolan Early Childhood Center or O'Sullivan Hall office no later than **Friday, September 10th**. You may either mail it in or send it with your child when school reopens. Mrs. Schifter will then contact you on a first-come, first-served basis.

Suzuki lessons are not included in the school tuition. You will be billed directly by Mrs. Schifter. If you have any questions, you may call her at (516) 997-4348.

Sincerely,

Pam Gartland
Lower School - Division Head
