

We must have your e-mail address!

To provide you with important information such as school closings, this year we are collecting e-mail addresses from every family to enable us to send “e-mail blasts.” Even if you gave it to us last year, we ask you to supply it again in the space below. *Please print it neatly and carefully!*

Any changes for the directory?

We like to get the Parent Directory/Class Rosters booklet out as quickly as possible in the fall. For that we need any changes from your last year’s listing. (We’ll take care of grade changes or new students from present families. We’ll take new families’ information from their application.) If you don’t have changes, please indicate below so we know we’ve heard from you. We ask you to return this form to the Development Office before school starts, but during the first week of school at the latest—*please!*
