Dear HCA Community,

Happy Friday!

Lower School Schedule (K-4):

Below is the live schedule for students in grades K-4. Parents will receive invitations via email indicating the group each student is assigned to. Please remember that the groups were assigned based on conflicts with siblings in other grades and are not based on ability.

As a reminder, please help your child find a quiet place at home, free of distractions and noise so that they can focus on the teacher during live lessons. Also, please have the children mute themselves while in the class. If a child has a question he/she can raise their hand and the teacher will call on them at which time the student may unmute themselves. Finally, all live classes will be recorded and sent out via email each evening so that students can review the lesson if necessary.
