

March 20, 2020

Greetings from the campus of Holy Child Academy! We had a very successful week of virtual learning and I hope your children felt some sense of normalcy during this time. We are continuing to tweak the program to maximize learning. Even though we are not physically in the building we still strive to "Nurture the Spirit and Challenge the Mind."

I mentioned in my last letter that there was a good possibility that the campus would remain closed until April 20<sup>th</sup>. **We have made the decision to officially close the campus until after Spring Break, April 20<sup>th</sup>.**

We will continue with our distance learning program until Wednesday, April 8<sup>th</sup>. We will then enjoy the Easter season with family. It is my hope that we can return to campus after our scheduled Spring Break. We must remain optimistic during these times and remember that God is our guide through this all.

In order to offer more assistance and resources during this time, we are building a page on our website dedicated to COVID-19 resources. On that page will be links to the most up-to-date information and resources of what to do with your children during this time. We know that there is a lot of information out there right now and it is hard to navigate everything that is coming our way. We hope this webpage will give you one place to visit to find all the information needed during this time. This page should be ready to go by the middle of next week.

I wish you all a wonderful weekend. Get out and enjoy the sunshine with loved ones. I look forward to reconnecting with you during our virtual Monday Morning Assembly. I leave you all with a prayer for optimism during this time:

With Grace and Blessings,  
Art
