Special Transportation Request Form for the 2022-2023 school year

Education Law sets April 1st as the deadline for accepting requests for student transportation to private and parochial schools for the next school year. A request form must be completed for each child attending a private or parochial school, and all forms are to be signed by a parent or guardian. **FAILURE TO SUBMIT THIS TRANSPORTATION REQUEST FORM ON OR BEFORE APRIL 1, 2022 WILL RESULT IN YOUR CHILD BEING INELIGIBLE FOR DISTRICT TRANSPORTATION FOR THE 2022-2023 SCHOOL YEAR. IN THOSE CASES, THE COST AND THE ARRANGEMENT FOR TRANSPORTATION WILL REST WITH YOU.**

Please be advised that a decision to enroll a student in a school after the April 1st deadline does not constitute a reasonable excuse for the failure to submit a timely transportation request to that school when there is an additional cost for such transportation.

Under its policy, the Board of Education offers transportation to any non-public school within fifteen (15) miles by the nearest route from the student's home.

If you plan on having your child attend a private or parochial school for the 2022-2023 school year, please fill out this request form for transportation and send it to the address listed below. Additionally, we would appreciate it if you would indicate whether you anticipate your child needing the services of a late bus.
