Dear Parents:

It is approaching the time when you must apply for bus transportation for your child/children for the 2020-2021 school year. Under New York State law, you must apply to your local school district for transportation by **April 1st, 2021**. If your application is not received in the district by this date, the school districts **can and will** refuse to transport your child, and you will have to arrange to drive him/her to and from school each day next year.

Children entering Kindergarten through Eighth Grade are eligible. We would advise you to **apply even if you are unsure whether you will be utilizing the service; you can always cancel it.** If it is not submitted by April 1st, the district will not consider your request for transportation.

If your school district sent their form to Holy Child, it will be attached to this letter. If a form is not attached and your district has not mailed you a form, **you should contact them at your earliest convenience to inquire about the application.**

All completed forms should be sent *Directly To Your District.*

DO NOT SEND THE FORMS TO HOLY CHILD. They will be returned to you.

The following letter should be attached to your transportation application. It indicates the school hours for the different grades. **Third and Fourth Graders** in particular need school verification of their hours due to the Intramural Program on Mondays and Wednesdays. They **MUST** attend from 3:00 – 4:00 PM for two sessions, dates TBD.

If you have any questions, please do not hesitate to call us. Thank you.
